## EXPERIENCE

**Cashier** 2024 - 2024

**MOS Food Services, Inc., Japan, Tsukuba**

During my time as a cashier at Mosburger in Japan, I was responsible for handling cash transactions, ensuring accurate pricing and inventory, and providing excellent customer service. I also worked closely with the kitchen staff to ensure orders were prepared correctly and efficiently. My attention to detail and friendly demeanor helped create a positive experience for both customers and coworkers.

- Managed cash transactions accurately
- Maintained accurate inventory records
- Provided exceptional customer service
- Collaborated with kitchen staff for order accuracy

**Game localizer** 2023 - Now

**Fruitbat factory, Finland**

At Fruitbat factory in Finland, I had the opportunity to work as a game localizer for both English and Russian languages. This role allowed me to combine my passion for gaming with my fluency in both languages. As a game localizer, I was responsible for ensuring that the game content was accurately translated and culturally adapted for Russian players, while maintaining the original vision of the game.

- Translated game content from English to Russian
- Ensured cultural accuracy in translations
- Collaborated with development team on localization strategies
- Conducted quality checks on localized content
